

AHK INDIEN CERTIFICATION COURSE

Supply Chain Due Diligence Manager

Supply Chain Due Diligence Certified Course Based on German Training Standards

With the world's business environment moving toward mandatory Supply Chain Due Diligence reporting requirements, businesses must develop and implement processes to show that their operations and supply chains are free of human rights and environmental violations. The necessity to invest in due diligence know-how and skilling has never been greater.

The Indo-German Chamber of Commerce trains companies and industry professionals on practical and effective Supply Chain Due Diligence under its **“Supply Chain Due Diligence Manager” Certification Course**. The course prepares professionals and compliance officers in light of the rapidly shifting business environment.

Based on the **German Supply Chain Due Diligence Law and the UN Guiding Principles on Business and Human Rights**, the course combines German training and pedagogy standards with a curriculum adapted to the Indian business environment. The contents and teaching method enable participants to successfully plan, develop, implement, and monitor due diligence in their supply chain.
